BOATING CONFERENCE

CII International Boating Conference'11: The Industry Needs A Voice

The focus of the CII International Boating Conference was to get an 'Industry Status' for boating in India and discover a way forward through discussion, debate and dialogue. The boating industry of India has surprisingly developed rapidly into a sizeable one but is at present segmented and scattered all over in a haphazard manner. It needs to find an "Identity" or a singular voice that distinctly distinguishes it from the rest of the industries. It is a known fact that past policies and lack of infrastructure have been the major stumbling blocks and the need of the hour is a 'revival of boating'... [Read More](#)
