## LOOK OUT FOR

### The Newly Launched SeaCat32

The perfect blend of stability and budget. These catamarans can reach speeds of up to 20 knots and are built with the highest quality of fibre glass material. The SeaCat32 carries up to 25 persons in sea conditions and more in flat water. Ideal for charter in the version built, the SeaCat 32 comes with a hard top and entrance from the mid ships, thus easy entry off jetties. Highly efficient hulls need less power hence results are the same as experimental crafts and there are no production hulls in the world which give the efficiency - twin 40 hp 4 strokes give 25 knots!

## MAKING WAVES

### Brand New Silver Craft 36 HT: The All New 36 HT From Gulf Craft

This boat was built just in time to be displayed in the 20th Dubai International boat show, and orders for it were placed from the first day. Gulf Craft once again succeeded in delivering a confident product to international customers. Use it for a day out with the family or go sport fishing, the new Silver Craft 36 HT is a perfect multi-purpose vessel. The fishing rods are installed on a metallic finishing in the engine galley, and around the edges of the boat. One of the many entertainment features worth mentioning is the swimming ladder installed on the back of the boat.

## AWARD WINNERS

### 2013 Boat of the Year Awards For Nautitech & J70

The Boat of The Year Award recognizes and honors the best new sailboat models introduced to the North American market. The NAUTITECH 441 is the winner of BOAT OF THE YEAR 2013 in the category of catamarans under 45 feet. The N441 has a convenient, well-thought-out central cockpit and the potential for a true blue-water voyager. J/Boats' new one-design sensation J70 is next to have lit the sport boat scene ablaze. The J/70 sailed its way to the top of the judges' lists to win the Sailing World Magazine's Boat of the Year as well as European Yacht of the Year 2013 awards.
