XS Marines Presents A Sea Change In Seabird Sailing In India

Over the last four years XS Marines has brought about a change in SEABIRD sailing in the Mumbai harbor and its also spread to Chennai. XS Marines started by modernizing the deck and internal layout of the existing Seabird with improved placement of deck fittings. Rigging the Seabird for sailing was made easier with the addition of hi-tech Aluminum Alloy Gaff & Boom. In addition, comfort & safety features were kept in mind to ensure a safe boat. Finally the most crucial item – minimum maintenance requirements was also adhered to. This led to a superb demand with over 20 boats...

BOAT IN FOCUS

WCMYS Celebrates 20 Years In Boating, Launches JJ Boats

JJ Boats conceptualized to be India's first Family Cruiser was launched by West Coast Marine Yacht Services on 25th March 2014. A spacious craft that can sleep two adults, has a galley, sink, head, fridge, navigation table and plenty of storage. Small details such as outside shower for a post dip rinse, OBM bracket for a little engine and a fresh water tank for 100 litres on board make the difference. The large cockpit can seat six comfortably. The boat can cruise with long distances with 5 on board and can race with 4 on board. The rig is designed and provided by XS Marines and the sails are made by...

FISHING FEVER

Fly Fishing In India – At the Right Place At The Right Time

Fishing at the right time is very critical for a successful fishing trip. Even if you have the best fishing spot and all the right equipment, you may not catch anything if you fish at the wrong time. The best time to fish depends on the fish feeding time. Following are some great guidelines if you are planning to go fish this season! Figure out the time. Best fishing time in spring is early morning or before dawn. After a long winter fish have been hungry and needed large quantities of food to prepare for spawning. In summer due to high temperatures, fish will avoid the summer heat; therefore, night is the...
