Will Mumbai Ever Get A Marina?

When will Mumbai be home to a marina? That is a question which has been the focal point for the past decade in the leisure boating industry. A point that has been much discussed and debated over. Although it has been mentioned over the years, the information in recent news articles appears to be more consolidating. Rs 40 crore has been slotted as an initial investment on the Mumbai marina, which will have a parking space for 150 to 200 boats and yachts. Like its international counterparts, it will have fueling, repair and maintenance facilities. However, the complete plan envisions an...

SAILOR SPEAK

A Voyage To Muscat From Bombay And Back!

The ultimate dream of every sailor is to make an ocean passage atleast once in lifetime. Leaving behind the safe harbour, sailors cherish the thrill of heading out into the open sea, away from the crowd, in search of a new port. With the advances in technology offshore sailing has become a very safe activity in the recent years. Technologies and gadgets like GPS, autopilots, satellite communication systems etc. have made navigation much more simpler. But almost 30 years back, in 1986 it was all very different. Sailors mostly relied on traditional navigation methods...

ADVENTURE SPORTS

Paragliding – Minimise Your Fear Maximise Your Fun

If you are a traveler at heart, a seeker and life's friend at large, longing for new friendships and laughter, sharing the joys of love and light then... Paragliding is for you! Paragliding is the closest humans can get to the feeling of flying like a bird. It is a fun, safe way to experience flight in its simplest form. You simply lay out a wing on a hillside or mountain, inflate it over your head like a kite, run a few steps and before you know it you've stepped off into the sky! Once in the air, a pilot is able to maintain and even gain altitude using lifting air currents and thermals. Landing a para-glider is extremely...
