

Aiding India's Boating Industry

HEADLINES

Who Will Steer A Fresh Course For Boating In India

A new season begins with the hope to navigate the pleasure boating industry into a constructive phase. It's time to make pleasure boating a truly pleasurable experience, make it accessible to many and not just let it lie as an exclusive indulgence of the silver spooned few! It's time to close the chapter of the many obstacles faced and start a new one - that of solutions in the form of efficient regulations governing pleasure boating in India. But who will lay down these solutions, who will execute these regulations? The industry speaks out in response to the silent realities that daunt it and how it can make its way through...

INTERNATIONAL SCENE

New Holiday Trends: Party Hopping From Istanbul To Ibiza!

Make your way to the biggest yacht party destinations the next time you plan your vacation. We suggest you give the crowded clubs a miss and instead have a party outside on a yacht. Yacht cruises & island hopping are all part of the sailing scene when you opt for a yachting holiday abroad, but for the party animal in you that's always seeking stimulating people and places, partying on a yacht is like being on a party bus, only way cooler! You can party as hard as you like or just relax and sail around. It is the ultimate lounging experience and that's how they do it from Istanbul to Ibiza!
